7-25	Panacur x3 days
8-8	Pyrantel Pomate
8-22	Strongid
9-5	Panacur x 3days
9-19	Strongid
10-3	Strongid
10-17	Strongid

Don't Forget a Deworming Schedule

Your deworming schedule and the type of dewormer you choose will depend upon your geographic location, its climate and the number of animals you have. Feel free to contact your vet or a Revival Pet Care Pro if you have questions.

Internal & External Parasite Control

Complications and diseases from parasites including heartworms, fleas and ticks are preventable. Contact your vet or a Revival Pet Care Pro to discuss the best parasite control methods for your pet.
